Approx Market Cap

Despite the challenges faced by the industry, Mr. Bhushan Agarwal is pleased to share that the company has delivered commendable performance in recent years. The growth in revenue and profitability reflects its financial resilience and strategic clarity. The product mix has also strengthened, with higher contributions from key value-driven products. With the Board's approval, the company is now moving into new metal segments including Stainless Steel Wire Rods, Bright Bars, Galvanised Colour Coated Sheets, and food-grade Aluminium Foil aligning its efforts with the evolving needs of a rapidly progressing New India.

#### B. Bhushan Agarwal,

Chairman & Managing Director, ICC President

Mr. Sheetij Agarwal is a whole-time Director of our Company. He has pursued Bachelor of Science in Business Administration from D'Am ore Mckim School of Business, Northeastern University. He is also a key person in developing a strategic roadmap to augment Shyam Metalics's position as a global trailblazer in the steel industry. He also offers his expertise on market intelligence, evaluative growth opportunities, capital investments, and brand alliances for Shyam Metalics. He is primarily responsible for the establishment of the company's footprint in the domestic market and over 40 international markets.
